

RECENT REFURBISHMENT

Clippens Road,
Linwood

Three Bed Maisonette

RECENT REFURBISHMENT

Clippens Road, Linwood

Smart Home Improvements have successfully overseen a huge project in terms of buy-to-let. This property went through a full renovation throughout including converting electric heating to gas central heating, taking the EPC from an F to a C. Our team oversaw the project from start to finish, including liaising with the lettings company to get a tenant into the property.

Scope of works

- Install Gas Central Heating
- Full Rip out
- Partial Rewire
- Wallpaper Stripping
- Plaster throughout
- Window Repair
- New Bathroom
- Internal Joinery
- Garden
- Kitchen Wrap
- Flooring Throughout
- Paint Throughout
- Letting Compliance
- New Consumer
- Deep Clean

CLIENT TESTIMONIAL

The high standards of professionalism we always receive ensures that this company is the first one we call when working on an investment for a client. From the initial walk-through and price-up, to the actual quote, progression of works and finished product makes it easy to always know exactly what stage the refurb is at. Communication is constant and clear and Sean always ensures that the client is engaged in every decision as much or as little as required.

It's very easy to recommend this company. With Sean Spalding in your tool-box you can't go wrong with any refurb!
